

QUALITY OF LIFE

To enhance the quality of life for each resident, our approach to care combines a multi-disciplinary approach with input from residents and family members.

We have an active Resident and Family Council.

Our care team includes registered nurses; registered practical nurses; personal support workers; recreation staff; cooks and dietary aides.

ABOUT MAITLAND

Maitland Manor is located on South Street in Goderich; Ontario's prettiest town. It has been in operation since 1964 and is an accredited, single story, colonial style residence.

All our care and services are built around the needs and preferences of our residents. We treat residents with dignity, courtesy and respect, encouraging them to enjoy an excellent quality of life.

Attractive home style meals are prepared on site.

ABOUT THE ROOMS

Maitland Manor is home to 90 residents in private, semi-private and four bed ward accommodation. We have one short stay respite bed available by appointment. The CCAC will determine eligibility for admission.

SERVICES

Maitland Manor provides a full range of professional services including:

Medical,
Nursing,
Dental,
and Recreation

Our residents enjoy a variety of complimentary therapies including:

Physiotherapy,
Music therapy,
and Massage therapy

Multi-denominational church services are provided and our Spiritual Care coordinator holds Memorial Services, Holiday Services and spiritual counseling.

Hairdressing services are available in our beauty salon several mornings a week.

Trust accounts are available through our business office.

We are fortunate to have many valued volunteers who provide music, friendly visits, write birthday cards for Residents, pet therapy and volunteers in other capacities.

SAFE AND SECURE ENVIRONMENT

Our home-like environment is safe and secure with heat and smoke detectors, sprinklers, a fire alarm and a call bell system.

Environmental services include housekeeping, laundry, and maintenance staff and services 7 days a week.

Residents are encouraged to bring small items such as bed spreads, pictures, their favorite furniture, as space allows to personalize their rooms.

There is a secure courtyard and garden area for residents and guests to enjoy. As well as a living room available for family gatherings and meals.

VISITING HOURS

Visiting hours are unrestricted as visits with family and friends are an essential part of community life.
